

Johnston Alliance for Character Development  
Minutes of January 8, 2009 meeting  
Location: ARC Conference room  
7am

Present: Doug Houston, Nancy Betz, Kenny Agan, Rich Kirkeby, Nancy Buryanek, Ron Ward, Brian Town, Debbie Wych and Mike Beaman

**Focus:**

Ron reported that the Mayor's Youth Council probably will no longer be in existence. Lucas Casey has taken a job with Grandview College and no longer will be on JACD. Mike will email Nancy names of Johnston students involved in CC leadership. Nancy will get those to Brian T and he and Brian C will work on getting some student representation.

2009 Calendar was handed out and JMS Athlete Recognition was added to some of the months.

**Reports:**

Teach/Educate: Nancy reported that she had made contact with ICD about an instructor for a "Coaching with Character" adult education class idea. She also talked with ICD about ethics in the workplace training to use to promote with chamber of commerce. More to come on both of those. Nothing new to report in regards to CC in Johnston Living Magazine and/or money to help support mailing to all households.

Evaluation: Mike handed out a draft of objectives/evaluation including school, activities, and community(awareness/public relations). The committee will be meeting and bring back a final recommendation on data that can be collected to help with objectives.

Advocate: Discussed Purple Party. Debbie brought some things to be added to the silent auction basket. Broken Arrow will be donating a youth large sweatshirt (actually three with two to be used later in promotions). Nancy will get something together. It was brought up about having more involvement. Will look at next year in doing something more. Kenny said if police have a booth that JACD could have some information at their table.

Model/Recognition: Brian C still working on guidelines for use of character flags. More discussion on pledge to run positive campaign to take place in the summer months.

Next meeting date: February 12 7am ARC Leader-Mike, reporter-Heather
